Subject: Resignation Letter

Dear Bushra Mehdi,

I am writing to formally resign from my position as **Software Engineer - L2** at Axeno Consulting. My last day of work will be **17 Jan 2025**.

This decision has been a difficult one as my time at Axeno has been incredibly rewarding. I am grateful for the opportunities to learn, grow, and contribute to projects that have been both challenging and fulfilling. I have gained invaluable experience and have truly enjoyed working alongside such talented individuals.

However, I have decided to explore new opportunities and focus on areas that align with my personal and professional goals. This step is important for my growth, and I am excited to see where it leads.

During my remaining time, I will do my best to ensure a smooth transition. Please let me know how I can assist in transferring my responsibilities.

Thank you for your understanding and support. I hope to stay in touch and look forward to crossing paths in the future.

Sincerely,
Deepak Sharma
